CHOOSE AN INSURANCE CAREER FOR THE 21ST CENTURY

Does the prospect of planning your future scare you? Are you unsure where to begin? Decisions that are made today will impact your readiness for the world of work and your ability to move from one career to the next over the course of your lifetime.

Choose a career in the insurance industry that you may be interested in pursuing and research your choice. Then synthesize your information and condense it to meet the following requirements.

Find the following information about your career:

- Educational Requirements
- Qualities of Successful Employees
- Duties and Responsibilities
- Salaries and Raises
- Demographics
- Benefits and Opportunities
- Other information that you think is important

Prepare a PowerPoint presentation that promotes the occupation you have chosen. Design 5 to 10 slides and present the information to the class. Remember to cite your sources using MLA guidelines. You will be graded by the teacher and two classmates who will use the PowerPoint Presentation Rubric, so check out the rubric before you begin. You may earn bonus points by completing a reflection at the end of the project.
