PART 1
Directions: Use a T for true and an F for false to indicate your belief about each statement.

GROUP HEALTH INSURANCE IS A VALUABLE EMPLOYEE BENEFIT BECAUSE:

_T_ 1. The employer pays part of your premium for your insurance.
_T_ 2. You pay part of the premium for your insurance.
_T_ 3. Doctor appointments only cost a small amount called a co-payment of $5 - 25.
_T_ 4. The insurance company will pay your hospital bill.
_T_ 5. Your prescriptions will be cheaper to purchase.
_T_ 6. The insurance company will pay for your eye exam and help you pay for the glasses.
_F_ 7. The insurance company will pay for your teeth to be cleaned and help pay for your fillings.
_F_ 8. The insurance company will pay the cost of transportation for you to visit a doctor.
_F_ 9. Purchasing insurance through your employer costs more than buying an individual health care insurance policy.
_F_ 10. All your medical expenses will be paid by the insurance company.

PART 2
Directions: Use T or F for the following statement.

_T_ 1. Employees must meet eligibility requirements in order to receive group health benefits from their employer.
_F_ 2. All employers offer group health coverage to all their employees (full-time and part-time).
_F_ 3. It is best to put your money in a savings account until you need it to pay for medical care rather than purchase insurance.
_F_ 4. It is wise to avoid paying for insurance hoping not to need medical services.
_T_ 5. Today you know more about health insurance than you did yesterday.
